ABOUT ME

Hello! I'm Sreya S, an MCA student with a strong passion for web development and software engineering. I enjoy learning new technologies, solving real-world problems, and building projects that improve my programming skills. My goal is to become a skilled Full Stack Developer and contribute to innovative software solutions.

EXPERIENCE

Python Django Intern

Srishti Innovative, Technopark

2026

Successfully completed a one-month Python Django Internship, where I gained hands-on experience in developing dynamic web applications using Django. Worked with Python, HTML, CSS, JavaScript, SQL, database management, backend development, and real-world software development practices.
